

Chronic Coughs

NEED VINOL

it stops the cough because it cures the cause

This is the season for coughs and colds, and for the benefit of Maysville people our local druggist, John C. Pecor, tells them the best means for a cure.

He says: "Take Vinol, our real cod liver preparation without oil. It does not upset the stomach like cough syrups, and it is much more effective. Vinol is not a palliative but a curative."

This is because Vinol contains in a highly concentrated form all the healing, strength creating and medicinal elements of cod liver oil actually taken from fresh cods' livers, with all the useless, nauseating oil eliminated and tonic iron added. It tastes fine and cannot upset the weakest stomach, hence its wonderful power to cure.

We ask every person in Maysville, who has a chronic cough or hard cold to try Vinol on our guarantee. JOHN C. PECOR, Druggist.

NOTE—While we are sole agents for Vinol in Maysville, it is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in your town.
